## **DETAILED ACTION**

1. This Office Action is in response to an RCE filed on 08/30/2006. Claims 1, 2, 4, 7-11, 13, 16 and 19 have been amended. Claims 3, 5, 6, 12 and 14-15 have been canceled. Accordingly, claims 1, 2, 4, 7-11, 13, 16 and 19 are currently pending and have been examined in this Office Action.

### Continued Examination Under 37 CFR 1.114

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous office action has been withdrawn pursuant to 37 CFR 1.114. The Applicants' submission filed on 08/30/2005 has been entered.

### **EXAMINER'S AMENDMENT**

- 3. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
- 4. Authorization for this Examiner's amendment was given in a telephone interview with the Attorney for the Applicants Matthew Blackburn, Reg. No. 47,428 on October 27, 2006.

Application/Control Number: 09/975,479 Page 3

Art Unit: 2155

5. The application has been amended as follows:

## (A) In the Claims:

Claim 16 (Currently Amended): A service use method according to claim 10, wherein said second acquisiton acquisition step acquires the desired service object by deleting a service object other than the desired service object, among the plurality of received service objects.

Claim 19 (Canceled).

### **REASONS FOR ALLOWANCE**

6. Claims 1-8, 10 and 12-13 are allowable over the prior art of record.

This communication warrants no Examiner's reason for allowance, as Applicants' reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104 (e). In this case, the substance of applicant's remarks in the Amendment filed on 30 August 2006 with respect to the amended claim limitations and further amended claim limitations in the foregoing Examiner's Amendment point out the reason claims are patentable over the prior art of record. Thus, the reason for allowance is in all probability evident from the record and no statement for Examiner's reason for allowance is necessary (see MPEP 13202.14).

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Application/Control Number: 09/975,479

Art Unit: 2155

# **CONTACT INFORMATION**

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Vitali Korobov whose telephone number is 571-272-7506. The examiner can normally be reached on Mon-Friday 8a.m. - 4:30p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Saleh Najjar can be reached on (571)272-4006. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
